	Add up each column									
	Multiply by Fee	\$50	\$50	\$35	\$35	\$25	\$25	\$35	\$20	\$20
	Total fee due for each license type									

**CHECK NUMBER**

**TOTAL DUE**

**\$**

Use this worksheet to submit one check to pay the fees for up to 20 applications. List each applicant's name and mark the license type they are seeking in the appropriate column. Add all of the fees due and submit one check in that amount along with all of the applications. Please note that if the names listed on this worksheet do not match those on the applications submitted, or if the check is not for the correct amount, the applications will not be processed and the entire packet will be returned.
