

- Bottom edge of sign must be installed no lower than 5 feet or higher than 8 feet from the ground.
- Sign must be permanently affixed to a pole or permanent barrier or permanent wall.
- The sign must be located so that it is conspicuously facing the driver that enters the facility; or at intervals along the entrance so that no entrance is farther than 25 feet from a sign if: curbs, access barriers, landscaping or driveways do not establish a definite entrance, or the width of an entrance exceeds 35 feet.
- Sign must be made of weather-resistant material; must be at least 18 inches wide and 24 inches tall; and must comply with color and layout requirements of TX Occupations Code 2308.302.
- Municipalities may have additional information required on the signage, but it must not conflict with the requirements presented here.

Bright red international tow symbol at least 4 inches high. May be on a separate smaller sign attached to the top of this sign.

"BOOTING ENFORCED"
White 2-inch letters with red background.

BOOTING ENFORCED

A statement describing who may park in the facility and prohibiting all others. Red 1 inch letters with white background.

**PAID PARKING ONLY
